# Relevant EquityWorks - Venture Capital Platform

“Peace of mind that data is centralized, standardized, and secure.”

Amy Cheng, Principal, Avant Capital Partners

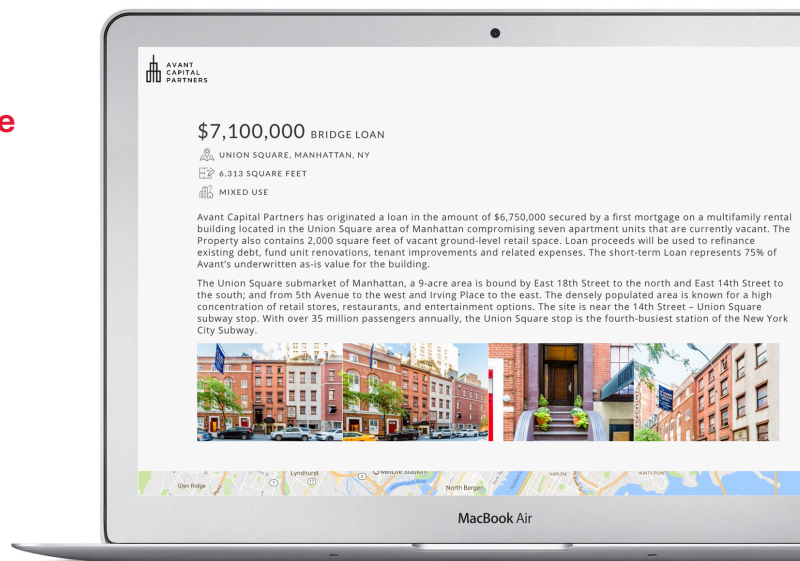

**Whether it’s through an individual application or the entire platform, Relevant EquityWorks can make your data more organized, accessible and transparent.**

**Raise more money.** Fund Raising & Investor Relations expands its reach and conducts more effective campaigns.

**Drive back office efficiency.** Fund Accounting gets tools to handle more volume, with much less effort and reconciliation.

**Deliver transparency.** Investors get detailed notifications and transparent quarterly reports, all delivered on our secure portal.

**Invest, build, exit your deals. Repeat.** Investment & Monitoring teams manage investments from first look through exit.

**Request a Demo at [www.relevant.us](http://www.relevant.us)**

*Relevant recently helped Avant Capital Partners to model dozens of funds, create detailed capital call and distribution letters, and post transparent quarterly reports to their stylish LP Portal.*
